BREAK no matches fixed by board, matches can be played by agreement

Divisions 1 to 8 to play Wednesdays, Divisions 9 to 12 to play Mondays but Wednesdays when clash with U18 fixtures, playing days to be reassessed for Champ

* dates for Sen Inter Jr Championship Finals may be moved depending on Leinster Club competitions draw. ALL Divisions and dates for Championship are provisional and grading is awaited.

Note as set out in the Regulations : The ratified calendar proposal for adult games is subject to change and is not a guarantee that games will be fixed for the dates listed. The Board will not change without good cause and if there is a requirement to change will give as much notice as possible. This includes Championship start dates and weeks for Finals

In the situation that a club's Adult Championship Final fixture is set for the same day as an underage game and it is established that panellists eligible for the underage game regularly field for the adult Championship team, and the club requests deferral of the underage fixture, then if the opposing team does not facilitate an agreed deferral of the fixture, the Coordinator in consultation with the Fixtures Officer shall defer the underage fixture, normally to the next fixture date in the calendar for the age group.

*** No match on 12/8 for teams with County players, irrespective of County teams progress in All Ireland Series. This is to allow players and teams to have a fixed, not variable schedule. Team with County players will play this League match on the 30 Sept/ 4th October. If the team in question is in a Championship Final on '30 Sept/ 4th October' these fixtures will be on the 14th/ 18th October. In the event of this and if the team in question is involved in a League Final/Cup Final or a Relegation playoff, the affected League Final or a Relegation playoff will be pushed out. For clubs in Intercounty series match deferrals from weekend of their Intercounty fixtures will be required.

**** In the event of Rule changes National LGFA Guidance to be adhered to. In the absence of National LGFA Guidance a decision on affected Dublin Club Competitions to be made by the County Board, having regard to the Rule change implementation dates and the format for Provincial and National Club Competitions.
