Dublin LGFA do not permit the recording of underage (Minor, U16 to U13, U12 to U8) fixtures or challenge games under its jurisdiction. Any breach of media regulations may be reported to CODA.

I, the secretary of the above-named club, agree to comply with the below regulations of the Dublin Ladies Gaelic Football Association. I can confirm that the photographer / videographer named above **complies with all Safeguarding guidelines.**

By submitting and signing this application form I agree to comply fully with the below rules on behalf of my club.

Guidelines regarding permission to record:

1. Permission to record any match must be obtained 48 hours in advance. The application form completed in full must be submitted to **pro.dublin@lgfa.ie**
2. All requests to record Dublin LGFA fixtures must be made through the Club Secretary. Any requests from any other persons will be deemed invalid and permission will not be granted.
3. Permission to record it is valid only for the match requested and is only granted for that specific fixture.
4. Once permission has been granted the club that applied for permission to record **MUST** supply a copy / link of the match **within 3 days** of the game to their opponents.
5. If the copy / link of the match is not received by Dublin LGFA or the opposition club, then permission to record any future fixture shall be withheld.
6. Once permission has been granted both club Secretaries and the appointed match official or referee assigner will be notified of same by email.
7. The onus is on the club Secretary to inform team mentor of sanctioned applications. A club can request that any recording be stopped if no official communication or approval has been received by their club Secretary.
8. The person named on the application form as the videographer must be the person that is filming the fixture, the application is non-transferable.
9. VEO Cameras - Until the National SG office and the Data Protection office are satisfied that their concerns are being addressed, the use of Veo for any underage players is currently not permitted. Veo cameras cannot be used if there are any individuals on an adult team under 18 years of age.
10. Third parties hired by any club to record games under the jurisdiction of Dublin LGFA are not permitted to upload material from any Dublin LGFA fixture to any social media platforms. This may be viewed as a breach of image rights. Clubs are also advised that live footage of any fixture under Dublin LGFA jurisdiction broadcast live, uploaded or shared to any social media channel may be viewed as a breach of image rights.

In addition:

Dublin LGFA would advise clubs to be aware of juvenile members who may have ticked the 'opt out' of videography / photography clause on the Foireann registration system. Regarding Juvenile photography please note as per the Code of Behavior "if any club personnel are unhappy about any matter relating to such photography the permission granted may be withdrawn immediately".
